By Midnite Love

Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English. Brand new Book. Introduction "Hell no! Don't even ASK me anything like that!," "I don't go down on men, only sluts do that," "You want me to do what? And swallow what?," "I've NEVER done that, I Swear!" They won't even let a man's face even come near their nether regions for fear that he will ask that the favor be returned, as he rightly should. And so they have given up that part of sex altogether. I'm here to tell you girl, you are missing out! Then there are the ones who can suck the skin off...
